

WELCOME • CARE • FEEDING GUIDE

Thank you for choosing **Coons and Nudes Cattery**. Your kitten has been raised in a loving, social environment. A short adjustment period is normal—please provide a calm, safe space and allow your kitten time to settle in.

First Week Expectations

- Day 1–2: Quiet, shy behavior
- Day 3–5: Increased curiosity and exploration
- Day 5+: Personality begins to show

Care Essentials

Feeding: High-quality kitten food 2–3 times daily. Fresh water at all times.

Litter: Keep box clean and in a quiet location.

Veterinary Care: Vet visit required within **72 hours** of pickup, followed by routine care and vaccinations.

Grooming: Maine Coons require regular brushing. Sphynx require routine bathing.

Safety: Indoor-only home. Remove hazards and secure environment.
